|| Life Predictions ||

Character

You have several desirable qualities. First and foremost, you revel in work and there is hardly a limit to the amount of work you can do. Next, you have your eyes wide open and your brain is alert. Taken together, these qualities single you out as being a very powerful influence in your own sphere of activities. You are wonderfully practical in all you do, and you have a very keen brain for remembering details. In fact, details mean so much to you that you are apt to irritate some of your co-workers with them. You never forget a face, though you are less accurate in remembering names. You are a person who wants to know the why and where of everything. Until you are satisfied on these points, you refrain from acting. Consequently, sometimes you miss a good deal, and some people look upon you as a procrastinator. In a measure you are too sensitive and often you hold back when you should go ahead. This unfits you for certain forms of leadership. You do not want your own way in many things. In fact, you are very amenable, taken all round.

Happiness And Fulfillment

You are having the feelings of confidence and optimism. You always feel that things will turn out well and have the ability to make this come to pass. Extremely kind and tolerant of others, you are also very practical, and can gain complete understanding of total concepts from the most minor detail. You have faith and a philosophical attitude toward life which helps you through many trials and gives you the greatest potential for achieving happiness.

Life Style

You are more inward than most. If you were to appear in front of a large group of people, you would suffer from stage phobia. You are best motivated when you are alone to do whatever you want to do, and at your own pace.

Career

You should find jobs which involve you with groups of people and where there is no pressure to meet commitments and responsibilities on a commercial level. You would find success in a career which would help people, such as group leadership.

Occupation

Your inherent push and go are very useful acquirements. Whilst others are debating, you are acting, and it is the early bird that gets the worm. You should cast away all thought of taking up a profession or occupation that requires polish and gentleness. You are far too practical to bother about surface qualities. They irritate you. You are a person of action and prefer rough and ready efficiency to anything else. You could play the part of an explorer admirably, both in real life and on the films. You would be far better as a surgeon than as finance consultant. At any job where skill in making things was needed, you would succeed. Engineering may be cited as such a job. There are many occupations at sea which would suit you extraordinarily well. As an aviator, you would display the requisite pluck and daring. There are endless fields for your energies in work connected with land. Not only would you make an excellent farmer, but you would do equally well as a surveyor, a mining engineer and a prospector.

Health

From the point of view of health, you are fortunate. You have an excellent constitution. But, if any part of your body is less robust than the rest, it is your heart and all that immediately depends on it. Therefore, consider yourself carefully when the age of forty is reached and avoid overstrain. As a secondary caution, avoid damaging your eyes. This, however, applies more to early youth than to later life. If you have passed this age and your sight is unimpaired, you may reckon that the danger no longer exists. Stimulants have a specially bad effect on you and, if these are shunned ruthlessly, there is every reason to suppose that you will attain a good age and live a long, useful life.

Hobbies

Vigorous pastimes attract you most and they do you the most good. A really fast game like football, tennis, etc, is a capital outlet for your energies and you will be all the better for it. You will like walking when middle-age is reached, but you will think more of a fourteen than a four mile walk. On holidays, you will not want to sit the beach and wait for the next meal, with only a newspaper to amuse you. The most distant hills will beckon to you, and you will want to know what they look like close to.

Love Matters

In love matters, you are just as vigorous as you are in work and play. Once you fall in love, you want to be in the company of your intended-one every available minute of the time. You are too wise to neglect your work. But, once the work is accomplished you will hurry off to trysting-place to keep the appointment. When marriage is an accomplished fact, you will want to rule the home. The ruling will not be done, necessarily in an aggressive manner, it will certainly be efficient. If you are a woman, you often help your husband in his business affairs and this you perform with marked efficiency.

Finance

In financial matters, you would have weight and authority. You will be successful in carrying out your plans if not hampered by partners. So, as far as possible, avoid partnership businesses. You have to work very hard against many disadvantages during your early years. In spite of this, you may expect to gain a considerable amount of financial success, also position and prominence due to your own superior mentality, not dependent on what is called luck or chance. It would be best for you to work out your plans alone. You are likely at times to strike some odd inventions that will be lucky for you, and you will be liable to make money in peculiar way off the beaten tract.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Eleventh house from Lagna, while in the Moon chart Mangal is placed in Eleventh house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Moon in your 1st house:

In general, the 1st house belongs to Mars and Sun. When the moon is also placed therein, this house will come under the combined influences of the Mars, the Sun and the Moon i.e. all the 3 mutual friends will be treated as occupants of this house. The Sun and Mars will extend all friendly support to their natural friend Moon placed on the throne i.e. the ascendant house.

Such native will be soft-hearted and will inherit all the traits and qualities of mother. He/She will be either the eldest child or will certainly be treated so. As long as the native receives the blessings of mother and keep her happy, he/she will continue to rise and prosper in every way.

The things and the relatives as represented by Mercury, who is inimical to Moon, will prove harmful to the native, e.g., the green color will affect adversely. Hence it is better to keep away from them.

Burning milk (for making Khoya) or selling milk for profit would reduce or minimize the power of the Moon placed in the 1st house, which means that the native's life and property would be destroyed if he/she engages himself in such activities. Such a native should serve others with water and milk freely for long life and all round prosperity. Such a native will get a life of about 90 years and will be bestowed with honours and fame by the Govt.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
